Your Free Application for Federal Student Aid (FAFSA) has been selected by the Department of Education for verification. We are required by federal law to compare your application with information on this form and with 2020 federal tax information. If any items need to be corrected, the Culver-Stockton Financial Aid office will submit the correction electronically to the Department of Education. Documents must be submitted within two weeks of the initial request to avoid delay in processing of your financial aid package. If you have questions, contact us at 573-288-6307. Forms that are left blank or incomplete will delay your financial aid application.
