

SUMMIT
2023

TRI-STATE DEVELOPMENT

CULVER-STOCKTON COLLEGE

Oakley-Lindsay Center. Quincy, Illinois

PROGRAM OUTLINE

13
Sept

1:00 PM

Workshop: Introduction to Economic Development for Community Leaders

Room to be determined

This workshop is a regional leadership and economic development training program that supports and advances existing and emerging community members who are committed to collaboration in the Tri-State Region. This workshop provides the knowledge needed to help identify and assist with economic development priorities. Participants will be provided with the essential tools to promote solutions to common problems while also developing innovative opportunities for growth.

5:30 PM

Networking Event

First Floor Main Event Space

This fun and engaging networking event will provide opportunities to make connections with prospective partners throughout the region. Bring plenty of business cards and be ready to meet people who can partner with you to achieve your business and community goals. The evening will include a buffet of heavy appetizers and an engaging and energetic speed networking event. Cash bar will be available.
