<sup>1</sup>These figures include all FT/FT freshman entering in Fall 2018 (no transfers), regardless of athletic participation.

<sup>2</sup>Only Fall 2018 FT/FT freshman who received athletic financial aid are reported. Students are reported in only one athletic sport. The participation hierarchy is Football, Basketball, Baseball and then All Other Sports.

<sup>3</sup>GR (graduation rate) does not consider when an athlete does not play after the initial cohort year. If a freshman athlete is injured or transfers and does not play the remainder of years, that athlete is still included in the GR calculation.

\*All Other Sports are a combination of men & women's soccer, men & women's golf, men & women's track and field, men & women's cross country, men & women's volleyball, Esports, cheer, softball and bowling.
