Disciples Award Covenant

As a 2027-2028 recipient of a Disciples Scholarship, I desire to enter into a covenant agreement with Culver-Stockton College by demonstrating a commitment to the history and covenantal relationship of Culver-Stockton College and the Christian Church (Disciples of Christ).

My commitment may be shown in several ways including:

A. Attending worship services at one or more area churches.
B. Participating and taking a leadership role in the College's Disciples on Campus organization.
C. Participating and/or taking a leadership role in other campus religious organizations.
D. Engaging in at least one activity of service each semester. This can include serving at a church retreat, camp, conference, service trip or other opportunities facilitated through campus involvement or independent arrangement.
E. Serving as an ambassador for the College to my home church and region, sharing news of the work of the College.
F. Representing the College at official Church functions; e.g. area, regional, and general assemblies.

Furthermore, I will meet with the Chaplain three (3) times per year. First meeting will be within the first 2 weeks of the Fall 12-week semester to set expectations and goals. The second meeting will be within the first 2 weeks of the Spring 12-week semester to assess progress. Final meeting will be within the last two weeks of the Spring semester for final evaluation.

I understand that the Disciples Award needs to be renewed yearly based on this covenant and my displayed commitment to it, as well as agreement from the campus Chaplain.
